

UNCOVER™

Economical Institutional Stripper

Floor Finish Stripper
Product #105

PRODUCT DESCRIPTION

Uncover is a commercial quality alkaline stripper/degreaser that is available at an economy price. This product effectively removes wax, metallic finishes, grease, and oily films from virtually any surface. It is fast-acting, nonflammable, biodegradable, and contains no acids or abrasives. It is designed for maintenance professionals who want reliability at a very reasonable cost.

APPLICATION & MAINTENANCE

STRIPPING: Dilute Uncover 3 ounces per gallon for routine stripping with "warm" water and 6 ounces per gallon for heavy wax or finish build up. Apply stripper liberally to surface, but do not flood. Allow solution to stand on floor for five to ten minutes, then agitate with a buffing machine and black stripping pad. Remove emulsified finish and stripping solution with wet vacuum or mop and thoroughly rinse the floor with clean water to remove any alkaline residue.

DEGREASING: Dilute Uncover with "warm" water as necessary to emulsify grease or oily film. Remove solution with wet vacuum or mop and rinse thoroughly with clean water.

SPECIFICATIONS

Active Ingredients	Synthetic detergents, and alkaline builders
pH	13.0 - 13.5
Free Ammonia	0.8%
Free Alkali	<3%
Free Acid	None
Phosphates	None
Abrasives	None
Color	Purple
Odor	Moderate
Solubility in Water	100%
Freeze/Thaw Stability	3 cycles
Shelf Life	1 year min. (30° F.-125° F.)
Flash Point	None
Weight Per Gallon	8.6
Biodegradable	Yes
Soil Suspension	Very Good

SAFETY INFORMATION

Health	2
Flammability	0
Reactivity	0
Personal Protection	B

CAUTION: Contains alkaline detergents which may cause irritation in undiluted concentrations. If ingested give vinegar, juice of lemon, grapefruit, or orange freely. Follow with olive oil. In the event of skin contact, flood the affected area with water, rinse with vinegar, and rinse with water again. For contact with eyes, rinse with clear water. **Contact a physician.** Contains 2-Butoxyethanol CAS #111-76-2 and Sodium Hydroxide CAS#1310-73-2. For detailed information, consult MSDS sheet.
