

# CLEAN PLATE™

## Hand Dishwashing Detergent

pH Balanced Soap  
Product #106

### PRODUCT DESCRIPTION

Clean Plate is an effective, yet economical, dish washing liquid that is ideal for institutional use in hand washing utensils, flat ware, and pots and pans. Formulated with emollients and lanolin, Clean Plate delivers aggressive cleaning action, even against baked on food and greasy deposits, and yet, is non-irritating to hands and skin. A special combination of ingredients assure long lasting suds, even in hard water. This product contains no harsh detergents or caustics and is 100% biodegradable.

### APPLICATION & MAINTENANCE

For exceptionally heavy grease or soil, Clean Plate may be applied directly to the pot or pan in small quantities and scrubbed. When clean, rinse with clear water and let dry.

Clean Plate may be added to water at the following concentrations:

Light soil: 1/2 ounce per gallon of water

Medium soil: 1-2 ounces per gallon of water

Heavy soil: 4 ounces per gallon of water
