

N_o O_{dor} S_{tripper} E_{mulsifier}™

TM

No Offensive Odors
Product #116

No Odor Floor Finish Stripper

PRODUCT DESCRIPTION

This remarkably effective stripper, N.O.S.E. rapidly dissolves multiple layers of floor finish, without the offensive odors normally associated with strippers. Formulated almost completely from top quality water miscible solvents, N.O.S.E. contains less than 1% solids at concentration, so it leaves no alkaline residue to adversely affect subsequent finish applications. Routine stripping of three to five layers of finish may be accomplished with nothing more than a mop and wet vacuum. Years of buildup can be quickly and easily removed by light agitation with a scrubbing machine and standard stripping pad. N.O.S.E. will even dissolve the almost impossible to remove straight acrylic sealers.

APPLICATION & MAINTENANCE

Dilute 32 ounces of N.O.S.E. for routine stripping, 42 ounces for medium build-up, or 128 ounces for heavy build-up per gallon of "COLD" water. Apply stripping solution with a mop and let it stand for five minutes. Remove the dissolved finish and solution with a wet vacuum. Any residual dissolved floor finish not removed by vacuuming should be removed by light rinsing or damp mopping. Allow the floor to dry thoroughly before applying any of Perma's high quality finishes. **N.O.S.E. is not recommended for use on Asphalt Tile or older Linoleum Tiles, as it may remove the dye, particularly from dark colored tiles.**

SPECIFICATIONS

Active Ingredients	Water miscible solvents, amine complexes, alcohol ethoxylates
pH	12.0 - 12.5
Free Ammonia	None
Free Alkali	0.5%
Free Acid	None
Phosphates	None
Abrasives	None
Color	Light Yellow
Odor	Moderate
Solubility in Water	100%
Freeze/Thaw Stability	3 cycles
Shelf Life	Min. 1 year (30°F.-125°F.)
Flash Point	Above 200° F.
Weight Per Gallon	8.8
Biodegradable	Yes
Soil Suspension	Excellent

SAFETY INFORMATION

Health	2
Flammability	0
Reactivity	0
Personal Protection	B

CAUTION: This product contains a strong alkaline ingredient. If ingested, give vinegar, juice of lemon, grapefruit, or orange freely. Do **NOT** induce vomiting. **Get immediate medical attention.** If contact with skin or eyes occurs, flush with large volumes of water. **Get immediate medical attention.** Contains 2-Amino Ethanol CAS #141-43-5. For detailed information, consult MSDS sheet.
