

GLASS SPARKLE II

1:10 Concentrated Glass And Hard Surface Cleaner

Glass Sparkle II is a concentrated, heavy duty glass cleaner for use on windows, mirrors, windshields, showcases, vitreous or chrome surfaces and stainless steel. *Glass Sparkle II* does a superb job of quickly removing road film, oily soil, dirt, and soot from all hard surfaces but will absolutely not spot, streak, or leave a hazy film. Economical to use, *Glass Sparkle II* costs substantially less on a cost per gallon of ready to use cleaner, than less concentrated products.

APPLICATION & MAINTENANCE

Dilute 12 ounces of *Glass Sparkle II* to one gallon of water for light cleaning.

25 ounces of *Glass Sparkle II* to one gallon of water for medium duty cleaning.

64 ounces of *Glass Sparkle II* to one gallon of water for heavy soil applications.

Spray on the surface to be cleaned or apply with a clean cloth or sponge. Wipe dry with a soft cloth.

Dilute 16 ounces of *Glass Sparkle II* to one gallon of water for use in pressurized sprayers.

This glass cleaner is non-caustic, non-corrosive, and biodegradable.

SPECIFICATIONS
