

TOPS

Premium Quality, Neutral Cleaner & Damp Mop

Tops is a highly effective yet gentle synthetic detergent concentrate, formulated for use in professional floor care programs on all types of flooring surfaces including resilient tile, ceramic tiles, marble, terrazzo, synthetic gym flooring, sealed wood, cork, and as a general purpose cleaner. Strong enough to remove stubborn soil, it will not degrade or dull existing floor finishes. Chelating and sequestering agents neutralize and suspend troublesome salt and ice melters. When used to clean surfaces prior to recoating with resilient tile or water-based wood floor finishes, *Tops* Neutral Cleaner reduces surface tension and neutralizes floor surfaces, allowing for better finish performance. *Tops* also delivers superior performance as a general purpose cleaner for wall tiles, porcelain, plastics, chrome, and stainless steel.

APPLICATION & MAINTENANCE

For daily damp mopping, mix 1 ounce of *Tops* per gallon of warm water, and apply using a cotton string mop.

For heavily soiled floors, mix 2-4 ounces per gallon of warm water, apply cleaning solution liberally, but do not flood. Allow solution to set for approximately five minutes, then agitate the solution with a buffing machine equipped with a red pad or soft brush. Remove soiled solution with a mop or wet vac. Damp mop with clean water and allow to dry.

Diluted solution may also be applied using an automatic scrubber.

For other surfaces, the cleaning solution may be applied with a spray bottle, sponge, or cloth.

SPECIFICATIONS

Active Ingredients	Natural soaps and synthetic ethoxylated aliphatic alcohols
pH	7.1 ± 0.7
Free Ammonia	None
Free Alkali	None
Free Acid	None
Phosphates	None
Abrasives	None
Color	Pink
Odor	Herbal Fragrance
Solubility in Water	100%
Freeze/Thaw Stability	Unlimited
Shelf Life	Min.1 year (30°F-125°F)
Flash Point	None
Weight Per Gallon	8.4
Biodegradable	Yes
Soil Suspension	Excellent

SAFETY INFORMATION

Health	0
Flammability	0
Reactivity	0
Personal Protection	A

Read Safety Data Sheet thoroughly before using.

This product is not a hazardous mixture as defined in 29 CFR 1910.1200. *Tops* contains some alkaline detergents which may cause irritation in undiluted concentrations. In case of skin contact, rinse with clean water. In case of eye contact, gently flush eyes with clean water. If irritation persists seek medical attention. If ingested seek medical attention.
