

FLORA MIST

Floral Fragrance Odor Counteractant & Deodorizer

Effective at as low as ten parts per million, Flora Mist is designed to eliminate, all problem odors by chemical reaction. This highly effective product will quickly neutralize virtually all foul odors including those associated with vomit, smoke, urine, garbage, sickness, and animals while leaving behind either a light, pleasant floral or citrus fragrance. Flora Mist odor counteractant is excellent for use in carpet maintenance programs, hospitals, nursing homes, restaurants, restrooms, septic systems, portable toilets, kennels, trash collection areas, and waste treatment facilities. Environmentally oriented and safe to use, Flora Mist is non-toxic, non-corrosive, and biodegradable.

APPLICATION & MAINTENANCE

For neutralizing odors when carpet shampooing add two ounces per gallon of carpet cleaning solution, or apply Flora Mist directly to the source of the odor.

For general purpose cleaning of floors, walls, or bathrooms add one ounce of Flora Mist to prepared cleaning solution.

Apply Flora Mist directly to areas with hard-to-manage odors such as bed pans, urinals, restroom floors, portable toilets, waste handling and treatment areas, garbage cans and disposals, air conditioners and animal cages.

For deodorizing, add a few drops of Flora Mist to a pan of water or spray directly on affected areas.

SPECIFICATIONS

Active Ingredients	Organic alcohol sulfonate
pH	8.2-9.0
Free Ammonia	None
Free Alkali	None
Free Acid	None
Phosphates	None
Abrasives	None
Color	Amber
Odor	Floral Bouquet
Solubility in Water	100%
Freeze/Thaw Stability	2 cycles minimum
Shelf Life	Minimum 1 year at room temperature
Flash Point	None
Weight Per Gallon	8.5
Biodegradable	Yes
Soil Suspension	N/A

SAFETY INFORMATION

Health	1
Flammability	0
Reactivity	0
Personal Protection	B

Read Safety Data Sheet thoroughly before using.

This material is not a hazardous mixture as defined in 29 CFR 1910.1200. Safety glasses and gloves should be worn during application and handling.
